

Here's How to Fill Your Prescription at the **Lowest Cost:**

Do You Have a Current Prescription?

.....

1. Go to the SmithRx Portal:

Visit the 'Find My Meds' tool at <https://member.mysmithrx.com/login> or scan the QR code below.

Don't have an account? No worries! Click '**Create an Account**' and sign up using your member ID from your medical ID card

2. Find the Best Deal for Your Meds:

Once you're in, use 'Find My Meds' to search for your medication and discover where you can get it at the lowest cost, whether it's at a local pharmacy or through mail order.

Do You Have a New Prescription?

.....

1. Chat with Your Doctor:

When your doctor prescribes a new medication, they'll ask which pharmacy you'd like to use. At this point, complete steps 1 and 2 to the left, while you are chatting with your doctor. Then let them know which pharmacy you'd like to use.

2. You Can Also Call Your Doctor Back:

If you forget to use the 'Find My Meds' tool while chatting with your doctor, simply call them back and tell them the new pharmacy you would like to use.

Need Help or Can't Find Your Medicine?
